"It is the little rift within the lute which ever widening, makes the music mute." It is just a little rift in the health of a woman often, which gradually takes the spring from her step, the light from her eyes, the rose from her cheek and the music from her voice.

Perhaps the bug-bear which has frightened the woman from the timely help needed at the beginning has been the dreaded questions, the obnoxious examination, the local treatments, of the home physician. There is no need for these. Nor is there need for continued suffering. Dr. Pierce's Favorite Prescription can be relied on by every woman, suffering from what are called "female troubles," to renew the health and cure the disease. Women are astonished at the results of the use of this medicine. It not only makes weak women "robust and rosy cheeked," but it gives them back the vigor and vitality of youth. Free. Dr. Pierce's People's Common Sense Medical Adviser, 1008 pages, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

ROBBED THE GRAVE.

A startling incident of which Mr. John Oliver, of Philadelphia, was the subject, is narrated by him as follows: I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in the back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying "Electric Bitters," and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim. No one should fail to try them. Only 50c per bottle at W. P. Woldridge's drug store. [5] June 21y

The teacher asked the class where in lay the difference in meaning between the words "sufficient" and "enough." "Sufficient," answered Tommy, "is when mother thinks it's time to stop eating pudding; 'enough' is when I think it is."

FIRE AT MT. PLEASANT.

Destroys the Store-House of George C. Collins.

Carried Insurance to the Amount of \$6,750—Incendiarism Suspected.

Special to the Herald.

MT. PLEASANT, March 12.—This place was visited by quite a disastrous fire early this morning. About 4 o'clock flames were discovered in the store of George C. Collins, dealer in general merchandise, on Main street. The fire burned rapidly, and the building and its stock were soon reduced to ashes. The loss of the house and contents is estimated to be between \$12,000 and \$15,000. It is not known how the fire originated, but one theory is that the store was set afire by an incendiary, after having been robbed. This theory is strengthened by the fact that a number of shirts were found on the sidewalk in front of Mr. Collins' store, soon after the fire was discovered.

Mr. Collins carried insurance to the amount of \$6,500 on his stock and building, as follows: With Gordon & Rutledge, agents—Hartford \$500, North British and Mercantile \$2,500, Norwich Union \$1,000, Royal Exchange \$150, With Ernest Irvine, agent—German of Freeport \$2,000. With Nicholson & Magruder, agents, Commercial Union \$600.

The store of H. F. Suttle & Son, dealers in groceries and hardware, adjoining the Collins' house, was damaged by water. The barber shop of John Hildreth was also damaged to some extent. The house occupied by J. P. Brownlow & Son was also slightly damaged.

Wreck in Hickman County.

CENTREVILLE, Tenn., March 8.—A serious wreck took place about 4 o'clock this afternoon on a mile north of town on the Nashville & Tuscaloosa Railroad, in which two men were badly hurt and three others slightly injured. The passenger train, up from Centerville, while pulling up Grider Hill, collided with two cars loaded with lumber that had broken loose from a freight train in front. The oncoming cars were first seen by the fireman, who jumped and saved himself. The engine of the passenger train was demolished, as were the freight cars.

"My people never go to sleep," said the second.

"Ah, there comes my car," replied the first, and they parted company.
